

December/January 2022

Parents,

I think this has been a great start to the Advent season with the wonderful Chrismon service! The kids were so cute in their costumes and I pray everyone had a wonderful time with family (and church family). I'm excited to see how God will continue to grow this event in the future.

A few updates. This Sunday December 5, the kids will be able to check out a Christian book from the Children's Church library. We have the transition/bridge class open as well as Children's Choir. Once the holidays have passed, I will be working to get a set schedule for choir and the transition class to make this more consistent. Also, we are hoping for a Children's Choir performance at the next "One Service" at the end of January. We will keep you posted on practice times. Children's Choir is also open to Alliance Youth.

Over this past month we have been talking about the miracles of Jesus and for this month we are talking all

about the birth of Jesus. I'm still looking into January curriculum, and I would love parent feedback. I would be honored to teach your favorite scripture/story from the bible to your kiddo's this month; reach out to me with your favorites.

Below I have posted the holiday schedule. Please see that there is one open Faith Works this month with extended hours; dinner is provided and there is an optional book exchange, so bring a wrapped book if your child would like to participate.
